

Vibia

Origami 4501

surface

- terra dark
- marrón
- verde
- blanco

Technical details

País de la Fabricación	 España
fabricante	Vibia
diseñador	Ramón Esteve
año	2011
protección	IP65
Volumen de suministro	LED
Profundidad en cm	7
material	ABS, policarbonato
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	6,3 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	756
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
reemplazo de la bombilla:	en el sitio mismo
Dimensions	H 30 cm B 30 cm

Descripción

The Vibia Origami 4501 is one of two one-flame square wall lights in this collection of lamps. It differs from its sister version, the Origami 4500, only by the arrangement of its "folds". A large crease runs for this wall light like a zigzag pattern. Precisely because of these folds, the entire collection was given its name because the lights are reminiscent of the Japanese art of paper. The light is made of polycarbonate and ABS. It is offered in white, green, terra dark or brown. The design was created by Ramón Esteve.

The Origami 4501 can be used both for interior lighting as well as outdoors. A modern LED serves as lamp with 6.3 watts. The wall lamp can be dimmed on site with a trailing edge phase dimmer. To a wall terminal up to 30 modules of this lamp can be connected. For larger compositions ask us for a special connection system. If you need help in configuring your personal origami Wallart combination, please contact us also.
