Descripción

The Vibia Brisa 4640 is the work of the design team of Lievore, Altherr and Molina and is available in the colours khaki and brown. The light arms of this five-lamp outdoor light can be rotated and swiveled. The largest of the arms is 100 cm high. Five efficient 2.1 watt LEDs are the bulbs. With IP65 the Brisa 4640 is well protected against splashing water and dust. The recessed lamp is installed into the ground permanently.
