

Byok

Nastrino Pico USB Adapter

Oberfläche

- aluminio mate
- negro mate

Technical details

País de la Fabricación	 Alemania
fabricante	Byok
diseñador	Kai Byok
protección	IP20
Volumen de suministro	LED
Proyección en cm	35
material	aluminio
longitud del cable	300 cm
Atenuación	control por movimientos
LED	reemplazado por el profesional
Indice de reproduccion cromatica	90
Temperatura de color en grados Kelvin	Dim to warm
El rendimiento del sistema	2 x 3,6 Watt
Flujo total luminoso en lm	610
distribución de la luz	directamente
Dimensions	H 30 cm

Descripción

The Byok Nastrino Pico with USB-adapter is a table lamp, characterised by its functionality. High-quality LED technics combined with two dazzle-free light zones create the ideal working light. This is underlined by the well-thought-out joint technics used with the Nastrino Table Stand.

The design is very nice as well because this lamp consists of simple ground aluminium profiles. These different surfaces are offered for the Byok Nastrino USB adapter: aluminium matt and black matt. Byok offers this lamp with a table clamp and a table stand as well. The Nastrino Pico USB Adapter is dimmed with gesture control. During dimming, the light takes on thanks to the Dim2Warm technology a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
