

Next Cosmo

Version

- LED 3.000 Kelvin
- LED 4.000 Kelvin

Technical details

País de la Fabricación	 Alemania
fabricante	Next
diseñador	Constantin Wortmann
protección	IP40
Volumen de suministro	LED
Diámetro en cm	160
material	PE
superficie	blanco
longitud del cable	600 cm
ajuste de altura	altura determinada
Atenuación	DALI regulable
LED	incluyendo
El rendimiento del sistema	6 x 19,6 Watt
Flujo total luminoso en lm	18.000
distribución de la luz	luz de la habitación
Dimensiones	H 88 cm Ø 160 cm

Descripción

The Next Cosmo is a futuristic pendant lamp in white PE with silver caps. The Cosmo's appearance changes with every new perspective. A circle with six light knots dissolves into the third dimension, emitting its even, glare-free light over lobbies, foyers, halls and every other architectural space designed with energy-efficiency and extra ordinary forms in mind.

It is also available as the Cosmo Outdoor for swimming pools, gardens, inner courtyards and all objects identical in sky. For both versions, there are two dimmable LED versions available which has different colour temperature.
