protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
Diámetro en cm	20
material	metal, vidrio
longitud del cable	320 cm
ajuste de altura	altura determinada
base/portalámparas	GU10
Alimentación (máx. Watt)	75 Watt
Dimensions	H 43 cm Ø 20 cm

Descripción

The Foscarini Tress Mini Sospensione is the smallest pendant of this collection by Foscarini. It is characterized by a diffuse light radiation and emits the light on the underlying surface. Like all lamps in this series, the Tress Mini Sospensione lights are made from lacquered glass fiber fabric and give the room an individual touch thanks to the interesting light-shadow play. Available in the colours greige (grey-beige), white and black, the pendant light can also be combined well with one another.

The cable length is 320 cm, on request also a larger cable length is offered. The cable can be shortened if necessary.
