<b>reemplazo de la bombilla:</b>	en el sitio mismo
<b>Dimensions</b>	H 3 cm

## Descripción

The Serien Lighting SML LED with a polished aluminum housing is offered with two covers that provide different light. Depending on the lamp cover, the lamp diffuses the light symmetrically upwards and downwards (satinée / satinée) or the light is dimmed to one side (satinée / raster). The SML LED wall lamp is available in these lengths: 15 cm (Small), 22 cm (Medium) and 30 cm (Large). The lamp is also offered with the colour temperatures 2700 Kelvin extra warm white and 3000 Kelvin warm white. Cover plates and mirror adapters for all sizes are available as accessories.
