<b>Dimensions</b>	H 20 cm   Ø 80 cm

### Descripción

The Escale Space 80 cm is the medium-sized ceiling light of this collection. The lamp has a diameter of 80 cm and a height of 20 cm. An LED with a colour temperature of 2,700 Kelvin extra warm white is used for lighting.

The Space 80 cm is a round lamp around which several struts spiral. These surfaces are offered: gold leaf, white, black or smoothed aluminum. Mosru Mohiuddin designed the lamp in the year 2013.

The ceiling lamp is dimmable on site with a trailing edge and / or leading edge phase dimmer. A Casambi module and a ZigBee module are on offer as accessories. With the Casambi module, the ceiling light can be regulated using the Casambi App by Smartphone or Tablet via Bluetooth. The ZigBee module enables the light to be operated via voice control.
