

Ingo Maurer

Hot Achille

Technical details

País de la Fabricación	 Alemania
fabricante	Ingo Maurer
diseñador	Ingo Maurer & Team 1994
protección	IP20
Volumen de suministro	LED
material	acero Inoxidable, aluminio, vidrio
ajuste de altura	altura determinada
Atenuación	Cable de dimmer con slider
Potencia en vatios	6 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	700
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
reemplazo de la bombilla:	en el sitio mismo

Descripción

The Ingo Maurer Hot Achille is an ode dedicated to the great Italian industrial designer Achille Castiglioni. The minimalist design focusses on the essentials making this lamp an outstanding reading light. It is thought to be installed at the ceiling with the coax cable being stretched due to an adjustable weight. The rotatable reflector is attached to this coax cable. The height of the reflector can be adjusted within a certain area of the cable of 100 cm. The reflector can be rotated 360 degrees at the end of the handle. The light intensity is controllable by means of a cord transformer with slide control. The power supply is carried out by a power outlet. The suspension cable has a maximum length of 350 cm and can be shortened if necessary.
