ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
LED	incluyendo
Indice de reproduccion cromatica	>80
Temperatura de color en grados Kelvin	2600 - 2800

Descripción

The Catellani & Smith Stchu-Moon 02 is a pendant lamp with built-in LEDs as light source. The shade of the lamp has the shape of a hemisphere. The shade surface is matt black in each version, from the inside the shade is available in copper, silver and gold. The pendant lamp is also available in four different sizes. It is available in diameters of 40 cm, 60 cm, 80 cm or 100 cm. All versions are made of aluminum. The 40 or 60 cm versions have two holders in which the light sources are integrated. These versions are equipped with two LEDs. Four LEDs are integrated in the two larger versions. The LEDs are placed inside at the edges of the shade. The cable has a maximum length of 170 cm for all versions and can be shortened if necessary.
