### Descripción

The Vibia Funnel 2014 is a ceiling mounted light with organic lines. With its indirect light, it is able to illuminate the entire room. This ceiling lamp has a diameter of 50 cm on the ceiling side, a depth of 13 cm and a diameter of 16 cm at the front of the lamp head. The ceiling lamp is offered in the surfaces white, pink and green. LEDs are integrated as illuminants. The lamp can be dimmed by the customer, on request there is also offered a version that can be dimmed by smartphone with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. On request, this lamp is also available with a colour temperature of 3,000 Kelvin warm white or 3,500 Kelvin white.
