Technical details

País de la Fabricación	 España
fabricante	Vibia
diseñador	Arik Levy
año	2016
protección	IP20
Volumen de suministro	LED
Proyección en cm	410
material	acero Inoxidable, aluminio, La fibra de carbono, metacrilato
longitud del cable	250 cm
ajuste de altura	altura ajustable
Atenuación	Dimmer a pie
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	5.076
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
El rendimiento del sistema	4 x 9 Watt
Dimensions	H 425 cm

Descripción

The Vibia North 5625 floor lamp has four lamp arms, each with a lamp shade. The lamp arms are of different lengths and extended in different directions. The design of the North collection by Arik Levy is very innovative, dynamic and flexible. The height of the lamp shades can be precisely adjusted during installation to direct the light where it is needed. Even after installation, the height of the lamp shades can be modified if necessary. The North 5625 is available in the following surfaces: white, black, beige and blue. All surfaces are matt lacquered. The lamp can be mounted with or without plug. A dimmer is integrated in the centre of the base.
