<b>El flujo luminoso en lm</b>	1.097
<b>Temperatura de color en grados Kelvin</b>	3.000 blanco cálido
<b>altura total</b>	400 cm
<b>Dimensiones</b>	H 93 cm

### Descripción

Vibia presents a pendant lamp with the Guise 2272 where the light source is invisible, emanating directly from the material. The light is equipped with a counterweight placed on the ground. With a cable with plug for this reason it is not necessary to have a power supply on the ceiling. The Vibia Guise 2272 is dimmed and switched by an optical sensor on the lamp. On request, this pendant lamp is also available with a special cable length.
