

Vibia

Structural 2620

Oberfläche

- gris oscuro
- gris claro

Technical details

País de la Fabricación	 España
fabricante	Vibia
diseñador	Arik Levy
año	2018
protección	IP20
Volumen de suministro	LED
Profundidad en cm	10
material	aluminio, policarbonato
Atenuación	1-10V regulable
LED	incluyendo
Indice de reproduccion cromatica	>90
Temperatura de color en grados Kelvin	3.000 blanco cálido
El rendimiento del sistema	2 x 6 Watt
Flujo total luminoso en lm	1.513
Dimensions	H 18 cm B 56 cm L 90 cm

Descripción

The Vibia Structural 2620 is a wall light that marks coordinates with a rectilinear language, connects points of light in space, relates planes and underlines the architectural dimension. Indirect lighting and composition based on volumes clarify light and shade. This wall lamp is available in the surfaces light grey and dark grey. Both versions are matt lacquered. On request, the lamp is also available with a colour temperature of 4,000 Kelvin white. On request, there are also offered versions which are dimmable with DALI or which can also be dimmed with an optionally available Casambi module using a smartphone app. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the lamp on at specific times via a timer.
