- verde
- rojo

Technical details

País de la Fabricación	 España
fabricante	Vibia
diseñador	Lievore Altherr
año	2018
protección	IP20
Volumen de suministro	LED
Profundidad en cm	37
material	acero, aluminio, vidrio
longitud del cable	400 cm
Atenuación	Toque atenuador en la conduccion de alimentacion
Potencia en vatios	4 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	415
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Diamètre de l'ombre	13 cm
Dimensions	H 140 cm

Descripción

The Vibia Tempo 5764 wall lamp has a light rod fixed to the wall and an oval shade made of opal glass. The lamp shade is made of mouth-blown glass. The lamp is connected via a plug and has an integrated push button dimmer on the cable. The lamps of this series are inspired by the play with different degrees of luminance and by the interaction between translucency or opacity and transparency. An LED with a colour temperature of 2,700 Kelvin extra warm white is included as a light source. The light is available in cream-white, terracotta-red, green and graphite-grey. All surfaces are matt lacquered. On request, this wall lamp is also available with connection via wall outlet (Tempo 5765). Versions with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white are also available on request.
