

Vibia

Palma 3720

Oberfläche

- gris grafito
- blanco

Technical details

País de la Fabricación	 España
fabricante	Vibia
diseñador	Antoni Arola
año	2018
protección	IP20
Volumen de suministro	LED
Diámetro en cm	22
material	aluminio, vidrio
ajuste de altura	altura determinada
Atenuación	1-10V regulable
LED	incluyendo
Indice de reproduccion cromatica	>90
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	25 cm
El rendimiento del sistema	2 x 4,6 Watt
Flujo total luminoso en lm	868
altura total	200 cm
Dimensions	H 19 cm Ø 22 cm

Descripción

The Vibia Palma 3720 pendant lamp consists of a diffuser of two hemispheres. The two halves of the diffuser are held together by an aluminum ring. The pendant lamp emits glare-free ambient light and is available in graphite-grey and white surfaces for the aluminum ring and canopy. Both versions are matt lacquered. The cables of the lamp can be shortened if required. A special cable length is also available on request. The integrated LEDs can be dimmed on site with 1-10 volt or Push and are supplied as standard with a colour temperature of 2,700 Kelvin extra warm white. On request, there is also available a DALI dimmable version or a version that is dimmable via smartphone with an optionally available Casambi module. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. Versions with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white are also available on request.
