Descripción

The Marset Discoco A is the only wall lamp of the Discoco series. The special highlight of this lamp is its lamp shade. It consists of numerous lamp arms, on which opaque, circular discs made of ABS are mounted. While the light exits directly below the wall lamp, the glossy lacquered discs around the lamp act as reflectors. The lamp is available in the following surfaces: white glossy and black/gold glossy. Two LED retrofit lamps can be used as light sources.
