

Foscarini

Spokes 1 MyLight

Oberfläche

- cobre
- negro
- oro
- grafito
- blanco

Technical details

País de la Fabricación	 Italia
fabricante	Foscarini
diseñador	Studio García Cumini
año	2015
protección	IP20
Volumen de suministro	LED
Diámetro en cm	33
material	ABS, acero, aluminio, policarbonato
longitud del cable	340 cm
ajuste de altura	altura determinada
Atenuación	con módulo Casambi
LED	incluyendo
Índice de reproducción cromática	>90
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	21 cm
El rendimiento del sistema	1 x 25 Watt + 1 x 5 Watt
Flujo total luminoso en lm	3.000
distribución de la luz	luz de la habitación
Dimensions	H 71 cm Ø 33 cm

Descripción

The Foscarini Spokes 1 MyLight pendant lamp has an elongated lamp shade with a height of 71 cm and a diameter of 32.5 cm. The shade consists of metal spokes which are fixed vertically. The spokes are made of round steel tubes and are painted with matt epoxy powder. The pendant lamp is available in white, copper, black, gold and graphite surfaces. Two LEDs with a total output of 30 watts are integrated as illuminants. The transparent electrical supply runs along a spoke in the lamp shade and is therefore not visible from the outside. The suspension cable can be shortened if necessary and has a maximum length of 340 cm. On request, the lamp is also available with a longer cable.

The Spokes 1 MyLight is regulated and dimmed via Bluetooth with Casambi App by smartphone or tablet (IOS, Android). This allows the light intensity to be regulated from 0-100% without the need for new devices, switches, cabling or Internet connections. The lamp only needs to be installed and connected via Bluetooth to a smartphone etc. Further configurations by qualified personnel are not required. The lamp is also available as Spokes 1 in a non-dimmable and a DALI dimmable version.
