<b>Dimensions</b>	H 202 cm

## Descripción

The Byok Campo is a floor lamp with a height of 198 cm. Two LED modules are integrated in the aluminum lamp head, which are ideal for glare-free, direct lighting. At the same time, light is also emitted upwards. Depending on how the lamp is positioned, it is also particularly suitable for lighting one or two work stations. The following versions are available: DALI dimmable on site or with integrated daylight and motion sensor. The surfaces aluminum matt anodised, white matt and black matt are on offer. On request, the lamp is also available powder-coated in various RAL colours. As standard, the Campo floor lamp is supplied with a colour temperature of 3,000 Kelvin warm white, on request it is also offered with 4,000 Kelvin white.
