<b>Dimensions</b>	H 55 cm

## Descripción

The table lamp Danona T by the Spanish manufacturer Bover has a textile lampshade and a metal base covered with a nickel alloy. Optionally, the lamp rod can be supplied wrapped in dark leather. On the black, 150 cm long cable of this table lamp is an on/off switch integrated. The lampshade of the Bover Danona T has a diameter of 27 cm and is available in the shade colours white, cream and natural white. The white and cream shades are made of ribbed wrap-around pleated fabric, the natural white shade is made of cotton. The total height of this table lamp is 55 cm. The light of the lamp is emitted directly downwards and upwards through a diffuser made of methacrylate. The light also spreads to the sides through the translucent fabric of the lampshade. The Bover Danona T has an E27 socket and can be used with LED retrofit lamps.
