Technical details

País de la Fabricación	 España
fabricante	Bover
diseñador	Christophe Mathieu
año	2017
protección	IP20
Volumen de suministro	LED
material	aluminio, plancha, policarbonato
Atenuación	DALI regulable
Potencia en vatios	16 W
LED	incluyendo
Indice de reproduccion cromatica	90
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Diamètre de l'ombre	11 cm
Altura de pantalla	11 cm
reemplazo de la bombilla:	en el fabricante / en la fabrica
Flujo total luminoso en lm	1.860
distribución de la luz	luz de la habitación
Dimensions	L 100 cm

Descripción

The Drop Linear S/05L from the Spanish lighting manufacturer Bover is an LED pendant lamp with five individual pendants mounted on a black 100 cm long aluminium rail. This lamp is suspended from the ceiling with two ropes over a maximum length of 350 cm. The distance between the five individual pendant lamps is 20 cm each. The lower edge of the lights is at a distance of 54 cm from the aluminium rail. The power connection for the Drop Linear S/05L is located on a decentralised rectangular canopy measuring 22x11x4 cm. The glasses of the Bover Drop Linear S/05L can be removed/detached for replacement or cleaning. The five lampshades each have a diameter of 10.7 cm and are 11.2 cm high. This LED pendant lamp is available in the shade colours transparent, matt white, green and blue. 13 different cable lengths are available on request. You can therefore choose the length of your lamp to suit your individual requirements. When ordering, please specify the required length/distance between the ceiling and the lower edge of the lamp under the item Order overview in the Order comments field.
