

LDM

Wyng Cube

Oberfläche

- bronce
- plata
- blanco

Version

- con módulo Casambi
- dimmable con control de fase inversa y con reguladores de control de fase

Technical details

País de la Fabricación	 Alemania
fabricante	LDM
diseñador	Lasch + Prillwitz
protección	IP20
Volumen de suministro	LED
material	aluminio, vidrio acrílico
Color del cable	transparente
ajuste de altura	altura determinada
Potencia en vatios	32 W
LED	incluyendo
Indice de reproduccion cromatica	90
El flujo luminoso en lm	3.232
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	7 cm
reemplazo de la bombilla:	en el fabricante / en la fabrica
altura total	120 cm
Dimensions	H 23 cm B 39 cm L 64 cm

Descripción

The LDM Wyng Cube pendant lamp is made of transparent acrylic glass and is printed with a precise square pattern.

The displayed image shows the product with dot pattern instead of square pattern.

An LED is integrated as illuminant, which produces even and absolutely glare-free light. When mounted, the lamp can be suspended at a downward or upward angle. If the lamp is tilted downwards, the square grid is located on the upper side of the lamp and the greater part of the light is emitted downwards. The pendant lamp is available in white, silver metallic and bronze. The canopy is always in the matching surface.

The LDM Wyng Cube is offered in two versions: dimmable on site with a leading or trailing edge phase dimmer or with an integrated Casambi module. The version with Casambi module is dimmable with the Casambi App via Bluetooth by Smartphone / Tablet. If required, the ropes of the Wyng Cube can be shortened. It is also available with special rope lengths on request. In addition to this pendant lamp, the Wyng Dot is also part of the lamp series with a dot grid on the acrylic glass.
