### Descripción

The Foscarini Twiggy Grid Outdoor Sospensione is an outdoor pendant lamp. It emits most of its light directly downwards. Its lamp shade has a diameter of 46 cm and a height of 29 cm. The Twiggy Grid Outdoor Sospensione is available in crimson and greige (a mixture of grey and beige). Its canopy is delivered in the matching surface to the lamp. With IP44 protection, it is protected against solid foreign bodies with a diameter of at least 1 mm and against splashing water from all sides. The cables can be shortened if necessary. On request, the pendant lamp is also available with longer cables.
