

Catellani & Smith

U. F Up

Oberfläche

- negro
- blanco

Technical details

País de la Fabricación	 Italia
fabricante	Catellani & Smith
diseñador	Enzo Catellani
año	2020
protección	IP20
Volumen de suministro	LED
material	acero, metal
Atenuación	cable de dimmer
Potencia en vatios	17 W
LED	incluyendo
Indice de reproduccion cromatica	80
El flujo luminoso en lm	2.500
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
reemplazo de la bombilla:	en el sitio mismo
Dimensions	H 186 cm

Descripción

The Catellani & Smith U. F Up floor lamp emits its light indirectly upwards towards the ceiling. The lamp is approx. 186 cm high and is available in black or white. The semicircular, U-shaped lamp shade of both versions is inside coated with a gold-coloured foil that reflects the light emitted. Included in delivery is a small, magnetic steel figure that can be attached to or in the lamp shade as desired. On the supply line of the U. F Up a dimmer is integrated. The lamp is switched on or off by briefly pressing the dimmer. By pressing and holding it longer, the light can be dimmed. A memory function saves the last light intensity setting and automatically sets it again when the lamp is next switched on.
