

SLV

Ovalisk 75

Version

- Lucio Tierra
- para atornillar
- para fijar en hormigón

Technical details

País de la Fabricación	 Alemania
fabricante	SLV
protección	IP65
Volumen de suministro	LED
Diámetro en cm	15
material	aluminio, vidrio
superficie	antracita
Potencia en vatios	9 W
LED	incluyendo
Indice de reproducción cromática	>80
El flujo luminoso en lm	560 - 600
Temperatura de color en grados Kelvin	3.000 blanco calido - 4.000 blanco
Diámetro del difusor	17 cm
distribución de la luz	luz de la habitación
altura total	75 cm
Dimensions	Ø 15 cm

Descripción

The SLV Ovalisk 75 outdoor free-standing lamp can be fixed to the floor using three existing holes in the lower flange of the lamp. The lamp is also available with a concrete anchor for mounting on uncured concrete bases or mobile with a galvanised stainless steel ground spike for unpaved beds and green areas. This matt anthracite aluminium LED lamp has a diameter of 14.8 cm and is available in a height of 75 cm. If required, the colour temperature of the lamp can be changed from 3000 Kelvin warm white to 4000 Kelvin white using a switch (CCT Switch) integrated in the lamp. The glass diffuser has a diameter of 17 cm. With its IP65 protection rating, SLV's Ovalisk 75 is ideal as an outdoor lamp because it is dust-tight and protected against water jets from any angle. An IP68 junction box, required to connect the lamp, is also available as an accessory.
