

SLV

Enola Round Up/Down L WL

Technical details

País de la Fabricación	 Alemania
fabricante	SLV
protección	IP65
Volumen de suministro	LED
Profundidad en cm	19
material	aluminio, vidrio
superficie	antracita
angulo del rayo	38 grados
Potencia en vatios	53 W
LED	incluyendo
Indice de reproduccion cromatica	>90
Temperatura de color en grados Kelvin	3.000 blanco calido - 4.000 blanco Kelvin
Flujo total luminoso en lm	2.700 - 3.000 Uplight + 2.700 - 3.000 Downlight
Dimensions	H 33 cm B 14 cm

Descripción

The SLV Enola Round Up/Down L WL is a cylindrical outdoor wall lamp made of aluminium. This anthracite-coloured outdoor lamp is 14 cm wide, 19 cm deep and 33.2 cm high. In the rectangular wall bracket there is a switch (CCT Switch) with which the colour temperature of the lamp can be changed from 3000 Kelvin warm white to 4000 Kelvin white during installation if required. LEDs integrated under two glass lenses ensure glare-free light emission. Through the glass lenses, light is emitted upwards and downwards, as well as contoured at the top and bottom of the wall, creating lighting effects on the wall in both directions. Uplight and downlight of the lamp have a luminous flux of 2700/3000 lumens. With IP65 protection, the Enola Round Up/Down L WL by SLV is ideal as an outdoor light, as it is dustproof and protected against water jets from any angle. A spacer set for mounting the lamp with surface-mounted wiring is available as an accessory.
