Descripción

The Bomma Phenomena Floor Capsule is a floor lamp with an oval glass. The lamp is 111.8 cm high in total. Each glass is made individually from mouth-blown crystal glass and is therefore unique, so that the colour shade and intensity can vary. In a complex manufacturing process, clear crystal glass is mixed with coloured glass, which prevents the glass colour from fading. This Phenomena floor lamp is offered in the glass colours mint green and smoke grey. The lamp rod and base are available in gold or silver polished finishes. The E27 socket of the lamp is operated with a replaceable LED retrofit. From the series, the larger Phenomena Floor Large Ball with a spherical glass is also offered.
