

LDM

Drop Quattro Surface-mounted

Oberfläche

- aluminio mate
- aluminio pulido
- negro
- bronce
- blanco

Dimmbarkeit

- DALI regulable
- Regulable en el sitio con control de fase inversa
- con módulo Casambi

Technical details

País de la Fabricación	 Alemania
fabricante	LDM
diseñador	Jürgen Glauner
protección	IP20
Volumen de suministro	LED
materi al	aluminio
Color del cable	negro
longitud del cable	200 cm
ajuste de altura	altura determinada
LED	incluyendo
Indice de reproduccion cromatica	>95
Temperatura de color en grados Kelvin	Dim to warm
Dimensiones del dosel	Longitud 200 cm, anchura 6,5 cm, altura 2,7 cm
Diamètre de l'ombre	7 cm
Altura de pantalla	16 cm
reemplazo de la bombilla:	en el fabricante / en la fabrica
El rendimiento del sistema	4 x 8,75 Watt
Flujo total luminoso en lm	3.124

Descripción

The LDM Drop Quattro Surface-mounted consists of four height-determinable Drop pendant lamps on a rectangular canopy. The lamps of this chandelier emit their light focused and homogeneously downwards through frosted optical lenses. The Drop Quattro Surface-mounted is available in the surfaces polished aluminum, matt aluminum, bronze, white and black matt. The canopy is 200 cm long and is supplied in the same colour as the ordered lamps. The multiple pendant lamp has a maximum cable length of 200 cm. As standard, the pendant lamp is supplied with black cables, which can be shortened if required. On request, the lamp is also available with other cable lengths and colours. The individual lights have a distance of 60 cm from each other.

The quadruple pendant lamp is offered in three versions: dimmable on site with a trailing edge phase dimmer, DALI dimmable or with integrated Casambi module. The DALI version requires a 5-core mains cable. With a Casambi module, the lamp can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the possibility of regulating several suitable lamps in groups.

When dimming the Drop Trio Surface-mounted, the light colour of the integrated LEDs changes to a warmer tone (from 3,000 Kelvin warm white to 1,800 Kelvin extra warm white) due to the used Dim-to-warm technology. LDM also offers a single, a double (on request) or a triple lamp from the Drop series. Height-adjustable Drop Move pendant lamps from the series are also offered.
