Altura de pantalla	11 cm

Descripción

The Lichtlauf Piztone pendant lamp emits its light directly and glare-free downwards. Its lampshade made of anodised aluminium is 11 cm high and has a diameter of 5.5 cm. The Piztone by Lichtlauf is supplied as standard with a maximum 200 cm long transparent cable, which can be shortened if necessary. The pendant lamp is particularly suitable for accentuated lighting of tables and work surfaces, as it emits its light directly and glare-free downwards. Whether suspended individually or in combination to several lamps, the Piztone light run definitely attracts attention. This pendant lamp is offered in the surfaces black and silver. The pendant lamp Piztone has a GU5.3 socket and is supplied with a replaceable LED bulb. Cables in other lengths are also available on request.
