Descripción

The Betec Filum is a height-adjustable pendant lamp with touch dimmer and counterweight. The lamp can be rotated 360 degrees for directed lighting. By touching the pin on the lamp, the light can be switched and dimmed continuously. The pendant lamp is suitable for any ceiling height, as the cable lengths can be individually adjusted with a geometric counterweight. The Filum by Betec is produced from brass and then glossy chrome-plated. The pendant light is offered with a length of 89.1 cm, 119.1 cm and 149.1 cm. The lamp has a width of 1.8 cm for each length. The canopy and the counterweight are both in black.
