material	acero, madera, vidrio acrílico
longitud del cable	200 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	25 W
LED	incluyendo
Índice de reproducción cromática	>92
El flujo luminoso en lm	3.100
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	17 cm
Diamètre de l'ombre	55 cm
Altura de pantalla	13 cm

Descripción

With a diameter of 55 cm and a shade height of 13 cm, the Domus LARAwood Pendant Lamp L is also an eye-catcher above a larger dining table and provides illuminating moments. The view into the inside of the lamp is particularly beautiful, where the low diffuser shows off the wood grain of the lamp to its best advantage. The supply line of the Domus LARAwood consists of a silver-grey textile cable. This dimmable pendant lamp is equipped with an LED with an output of 25 watts and a luminous flux of 3100 lumens. The light of the integrated LED is characterised by a very good colour rendering with a high colour rendering index of $R_a > 92$. The cable length of this LED lamp is 200 cm. The height-adjustable LED pendant lamp is available in walnut, black oak and white oak finishes.
