Technical details

País de la Fabricación	 Alemania
fabricante	Betec
diseñador	Horst Lettenmayer
protección	IP20
Volumen de suministro	LED
Proyección en cm	22
material	latón
Atenuación	dimmable con control de fase inversa y con reguladores de control de fase
Potencia en vatios	15,2 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	1.777,5
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensions	H 28 cm L 116 cm

Descripción

The Betec Clarus is ideal for picture, menu and music stand lighting because its lamp head can be rotated around its own axis. This allows the lamp head to be realigned as needed to illuminate and highlight an image without glare. The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting. The lamp offered here is 116 cm long and has a projection of 22 cm (bracket type 22).

The Betec Clarus 116 cm is offered in the surfaces brass glossy, brass matt, chrome, nickel glossy, nickel matt, burnished, black matt, gold glossy and gold matt. With the included mounting set, the lamp can easily be attached directly to a picture or to the wall. The picture light has a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED is characterised by very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. The manufacturer Betec offers the Clarus picture light in ten other lengths and with a projection of 11 cm or 17 cm.
