

Licht im Raum

Ocular Square 310 LED

Oberfläche

- De acero inoxidable cepillado
- De acero inoxidable pulido a mano
- latón naturaleza
- negro
- negro / oro
- blanco

Technical details

País de la Fabricación	 Alemania
fabricante	Licht im Raum
diseñador	Licht im Raum
protección	IP20
Volumen de suministro	LED
material	acero Inoxidable, latón, vidrio
longitud del cable	200 cm
ajuste de altura	altura determinada
Atenuación	girando dimmer
LED	incluyendo
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
diámetro de la lente	67 mm
El rendimiento del sistema	4 x 4,7 Watt
Flujo total luminoso en lm	2.532
Dimensions	B 31 cm L 31 cm

Descripción

The Licht im Raum Square 310 LED is a pendant lamp that is suspended from four cables. It has a length and width of 31 cm each. Its four lenses with LEDs are arranged squarely in the lamp body and can be swivelled within. The light is emitted evenly and focused downwards through these four lenses. The lenses each have a diameter of 67 mm. The lamp can be regulated via a rotary dimmer on the lamp.

The Square 310 LED is made of high-quality stainless steel or brass, depending on the surface. It is available in the following surfaces: brushed stainless steel, hand-polished stainless steel, matt black, white, natural brass and black / gold. The cables with a maximum length of 200 cm can be shortened if necessary.
