Descripción

The Mammalampa The Bride Table Lamp features a hand-woven lampshade. The "dress" of the bride is made of paper and presents this traditional lighting material in a unique design solution. When the light shines through the paper, the table lamp is permeated by an aura of airy lightness. Entirely handmade, each Bride has its own weave pattern and unique personality. Each lampshade interacts with the light and the space in a unique way, creating a highly emotive lighting design.

The Bride table lamp has a shade diameter of 50 cm and is 80 cm high in total. The 35 cm high lamp shade is offered in the shade colours white and brown. The lamp base consists of a tripod in the same colour as the lamp shade. By using the tripod, a firm stand of the lamp is guaranteed. A textile-covered 200 cm long cable serves as the supply line. The lamp provides diffuse room light. This table lamp has an E27 socket and can be operated with halogen lamps or LED retrofit. All lamps of the manufacturer Mammalampa are exclusively designed and handmade by the manufacturer himself.
