

Domus

Fläks Table Lamp

Technical details

País de la Fabricación	 Alemania
fabricante	Domus
diseñador	Urban Schnieber
año	2013
protección	IP20
Volumen de suministro	LED
Profundidad en cm	20
material	fieltro, Lunopal, metal, Roble, Textil
Color del cable	gris
Atenuación	cable de dimmer
base/portalámparas	E27
Alimentación (máx. Watt)	15 Watt
LED	incluyendo
Color de la pantalla	blanco
Dimensiones del soporte de la lámpara	longitud 24, anchura 21 cm
reemplazo de la bombilla:	en el sitio mismo
altura total	55 cm
Dimensions	B 15 cm

Descripción

The Domus Fläks Table Lamp is 55 cm high and 15 cm wide. Its depth is 20 cm. Thanks to an integrated magnet, the lamp can be positioned freely on the lamp base. The lamp base is made of white, powder-coated metal. Its lamp shade is made of Lunopal, a high-quality material that Domus has developed for its lamp shades. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant, washable and does not fade. There is a hand dimmer on the supply cable. The Fläks Table Lamp has an E27 socket that can be operated with replaceable LEDs (retrofit).
