- antracita
- rojo

Technical details

País de la Fabricación	 Alemania
fabricante	Domus
diseñador	Philipp Best
año	2008
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
material	aluminio, Lunopal, madera, Textil
Atenuación	cable de dimmer
base/portálámparas	E27
Alimentación (máx. Watt)	100 Watt
Color de la pantalla	blanco
Dimensiones del soporte de la lámpara	63 cm
altura total	178 cm

Descripción

The Domus Wai Ting floor lamp is offered in three surfaces: White oak, black oak and maron oiled. The rings are made of aluminum. Its lamp shade is made of Lunopal, a high-quality material developed by Domus for its lamp shades. Lunopal is white transparent and reminiscent of fine Japanese paper. It is thermally highly resilient, so that it can withstand temperatures of up to 100°C. This completely environmentally friendly material is UV-resistant, washable and does not yellow. The Wai Ting floor lamp is available with a textile cable in the colours red or anthracite. A foot dimmer is integrated on the textile cable.
