| El rendimiento del sistema | 2 x 23 Watt (max.) |

Descripción

The Karman Alibabig SE616V-EXT outdoor lamp has a lampshade with a diameter of 50 cm and a height of 110 cm. When the light is switched off, the material made of fibreglass is opaque. As soon as the light is switched on, it becomes translucent and creates excellent light effects. The Karman Alibabig pendant lamp SE616V-EXT has a 500 cm long, waterproof neoprene cable. When mounted, this pendant lamp can be individually set in height. The lamp has two E27 sockets and can be operated with replaceable LEDs (retrofit).
