### Descripción

The Domus Kioto 5 is also suitable as a wall lamp. It can be used as a surface-mounted or recessed lamp. This lamp is 52 cm long as well as wide. Its height is 8 cm. The lamp shade made of Lunopal is surrounded by a wooden frame made of beech. Lunopal is a white transparent, high-quality material that Domus has developed for its lamp shades. A powerful, dimmable LED with a colour temperature of 3,000 Kelvin warm white is included as illuminant. As an accessory, there is a covering frame made of beech, which covers the metal bracket of the ceiling and wall lamp.
