LARAwood Pendant Lamp M

Oberfläche

- nogal
- Roble negro
- Roble blanco

Technical details

País de la Fabricación	 Alemania
fabricante	Domus
año	2005
protección	IP20
Volumen de suministro	LED
material	acero, madera, Textil, vidrio acrílico
longitud del cable	200 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	25 W
LED	incluyendo
Índice de reproducción cromática	>92
El flujo luminoso en lm	3.100
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	17 cm
Diamètre de l'ombre	43 cm
Altura de pantalla	11 cm

Descripción

The Domus LARAwood Pendant Lamp M is suspended on three steel cables and can be individually set in its total height during installation. Downwards, the lamp distributes the light homogeneously and glare-free, upwards, the light is predominantly dimmed. The view into the interior of the lamp is particularly beautiful, where the low diffuser shows off the wood grain of the lamp to its best advantage. This pendant lamp is available in the finishes walnut, white oak and black oak.

The LARAwood Pendant Lamp M includes a powerful, dimmable LED with a colour temperature of 2,700 Kelvin extra warm white. The integrated LED is characterised by very good colour rendering with a high colour rendering index of Ra > 92. Domus also offers a larger LARAwood pendant lamp.
