Nebra NB04

Schirmfarbe

- marfil pálido
- gris pardo

Technical details

País de la Fabricación	 España
fabricante	Arturo_Alvarez
diseñador	cenlitrosmetrocaadrado
año	2023
protección	IP20
Volumen de suministro	LED
material	acero, acero Inoxidable
Color del cable	negro
ajuste de altura	altura determinada
Atenuación	no regulable
Potencia en vatios	20 W
LED	incluyendo
El flujo luminoso en lm	2.173
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	Longitud 30 cm, anchura 5 cm
altura total	150 cm

Descripción

The Arturo Alvarez Nebra NB04 pendant lamp has an elongated lamp shade. The lamp shade is made of a lacquered, particularly resistant stainless steel metal mesh. This stainless steel metal mesh is a translucent and flexible mesh made of metal, which is formed into the desired shape and structure. The pendant lamp is available in the shade colours taupe and beige.

The Nebra NB04 combines two types of light: direct downward light and decorative room light. The light emitted via the surface gives Nebra a weightless appearance. The lamp shade of the Nebra NB04 is 100 cm long and 3 cm wide. The shade height is 30 cm. When mounted, the pendant lamp can be individually set in total height. The lamp is operated with an integrated, particularly powerful LED that has a colour temperature of 2,700 Kelvin extra warm white.
