base / portalámparas	E27
Alimentación (máx. Watt)	3x20 Watt
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
Dimensions	Ø 45 cm

Descripción

The Biluna F5 from the Italian lighting manufacturer Prandina has a beautifully shaped, hemispherical lampshade that is available in various colours. The lampshade is made of lacquered metal and the inner diffuser is made of methacrylate. This elegant floor light is available in glossy white, glossy black, beige (matt sand-beige) and black (matt black). An on/off switch is integrated into the 2.7 m long supply cable. The lampshade rests on a ring made of transparent methacrylate, allowing it to be flexibly orientated. The lampshade of this floor light has a diameter of 45 cm and is 30 cm deep. The Prandina F5 has three E-27 sockets and can be operated with replaceable E-27 bulbs. The lamp in glossy white has a white supply cable, the other colours have a black one.
