| reemplazo de la bombilla: | en el fabricante / en la fabrica |
| Dimensions | H 12,5 cm B 10 cm |

Descripción

The Holtkötter 9615 is the tried and tested lighting solution for the wall. This LED wall lamp is made of brass and is available in matt fumé, matt nickel and polished/brass matt finishes. The desired light centre of the Holtkötter 9615 wall light can be illuminated by adjusting the articulated arms and swivelling the reflector. Infinitely variable dimming is achieved via a touch dimmer located centrally on the wall bracket. The built-in LED can be replaced if required.
