

Holtkoetter

Type T

Oberfläche

- aluminio
- latón
- platino
- negro

Armfarbe

- negro
- sand
- azul
- rojo
- gris

Technical details

País de la Fabricación	 Alemania
fabricante	Holtkoetter
diseñador	Holtkötter
año	2023
material	Metall
Atenuación	control por movimientos
Potencia en vatios	15 W
LED #	inclusive
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	1800
Temperatura de color en grados Kelvin	2.200 - 2.850
protección	IP20
Volumen de suministro	LED
reemplazo de la bombilla:	en el sitio mismo
Dimensions	H 75 cm

Descripción

The Holtkötter Type T table lamp is the illuminating highlight for every taste thanks to the numerous possible combinations of surfaces and textile-coated tubes. The lamp can be switched and dimmed continuously using the gesture control. To do this, a hand is held in the sensor area of the gesture control below the reflector. When dimming, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin to 2,200 Kelvin) thanks to the dim-to-warm technology. The last set light intensity is saved using the memory function and automatically reset the next time the light is switched on. This 75 cm high table lamp has a 22 cm long base and is available in anodised brass, black, platinum and matt aluminium. The lamp head, lamp rod and lamp base each have the same finish. The flexibly adjustable lamp arm is available in the colours: sand, red, blue, grey and black.
