matériel	polyéthylène, métal
base/version	E27
Puissance (max. Watt)	150 Watt
couleur diffuseur	blanc
Dimensions	H 172 cm B 23 cm

Description

The Foscarini Havana Terra is a true classic from 1993. It is a floor lamp for indoors. The diffuser made of polyethylene is available in the colour white. The frame is made of painted aluminum or chromed metal and provides a secure stand. The 130 cm high lampshade generates a diffusely light distribution.

Additionally, the intensity of the Havana Terra can be regulated optionally with an on / off switch or dimmer. From the collection Havana different wall, pendant and outdoor lights are also available.
