### Description

The Foscarini Folio Piccola Parete is a wall lamp providing for a fine evenly and diffuse light distribution. The glass is white. The glass of the Folio Piccola Parete wall lamp has a wonderful slightly curved shape. It looks like a piece of paper that is bent in itself. The socket with the bulb is surrounded by a small closed housing so you can not look into the light source and hence can not be blinded. Therefore it is well suited as lighting in narrow hallways or stairways.
