## Squadra Mono 200

### Oberfläche

- aluminium poli
- Matt aluminium
- Aluminium noir
- satin poudre blanche enduite

### Technical details

**Pays de fabrication**

**fabricant**

Byok

**concepteur**

Kai Byok

**protection**

IP20

**Contenu de la livraison**

LED

**matériel**

aluminium

**longueur de câble**

250 cm

**réglage de la hauteur**

hauteur déterminée

**atténuation**

dimmerable sur place avec commande gradateur de phase inverse

**LED**

y compris

**Indice de rendu des couleurs**

90

**La température de couleur en Kelvin**

2.700 extra blanc chaud

**Les performances du système**

12 x 3,6 Watt

**Flux lumineux total en LM**

3.670

**répartition de la lumière**

directement

**Dimensions**

H 4 cm | B 9 cm | L 200 cm

### Description

The Byok Squadra Mono 200 is a pendant lamp with a clear and timeless design. The Squadra Mono consists of one element. Through this, the characteristic alignment is created. The hollow profile used, gets its effect through the mounting hooks installed to one side. The filigree steel ropes underline the purist optics.

The profile endings come with matt transparent and translucent end caps. That's why the Byok Squadra Mono 200 sets additional highlights when switched on. The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The LEDs are placed in sockets enabling to singly exchange the bulbs.
