Les performances du système	3 x 12 Watt (max.)
Dimensions	H 210 cm

Description

The Vibia Balance 5189 is a floor lamp that makes its name honor. Due to their enormous height of 210 cm at the base, the radius of 260 cm and the possibility to vary the light arm at a height of 160 cm up to 200 cm, the Balance 5189 must be particularly balanced. The foot with 43 cm diameter gives it the necessary stability.

The lamp shade has a diameter of 50 cm and is 22 cm high. The Vibia Balance 5189 is available in the versions chrome, graphite grey and matt nickel. The lamp shade is made of aluminum threads. The on-off switch of the light balance is in the lamp shade. The Balance is supplied by Vibia with a cord dimmer.
