### Description

The Vibia Puck 5427 is the smaller of two double-tipped Wall lights in this collection. In this simple, timeless light, two LED-lamps are included. By the triple-blown opal glass the light of the Puck 5427 shines muffled outward. The Vibia Puck 5427 has a height of 24.20 cm, a width of 31.80 cm and a depth of 8 cm. Thus it can be used at various locations without problems. The lamp Puck consists of two glass bodies, but it is only needed one connection.
