Description

The Vibia Puck 5445 is the largest halogen lamp from the series Puck. With a length of 80 cm and a width of 79 cm it is an impressive eye-catcher in any room. The Puck 5445 is composed of seven different sizes, circular elements.

Overall, the ceiling light is kept simple. Vibia offers yet further lights of the series Puck. These can be combined well with each other. Even with these lamps - variant only a ceiling connection is required.
