

Vibia

Wireflow 0325

Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Arik Levy
protection	IP20
Contenu de la livraison	Ampoule
matériel	acier Inoxydable, aluminium, polycarbonate
réglage de la hauteur	non déterminable en hauteur
atténuation	1-10V dimmable
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	2.910
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	longueur 155 cm
Les performances du système	6 x 4,5 Watt
hauteur totale	200 cm

Description

The Vibia Wire Flow 0325 is one linearly constructed pendant light with three suspended 6-square lamp elements. This light element has a filigree appearance. Each light element has 2 LEDs with 4.5 watts to ensure a direct, pleasant light output downwards. This pendant lamp is on site dimmable. For the Wireflow 0325, the two outer light elements are suspended increased slightly, while the middle light element hangs a little deeper. The standard total height/length is 200 cm. If the pendant length of the lamp is different, please send us an individual request. The length of the lamp cannot be shortened by the user. The pendant lamp is also offered as a DALI dimmable version on request.
