

Vibia

Halo Circular 2332

Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Martín Azúa
protection	IP20
Contenu de la livraison	LED
matériel	acier, polyméthacrylate de méthyle
surface	blanc
réglage de la hauteur	hauteur déterminée
atténuation	1-10V dimmable
LED	y compris
Indice de rendu des couleurs	>80
La température de couleur en Kelvin	3.000 blanc chaud
canopée Dimensions	35 cm
Les performances du système	3 x 23 Watt
Flux lumineux total en LM	5.180
hauteur totale	350 cm
Dimensions	B 80 cm L 127 cm

Description

The Vibia 2332 is a three-lighted pendant lamp with modern LED technology. It was created by the designer Martín Azúa, who designed the lamp with three circular elements made of matt white PMMA. Each one of these three elements can be set in height separately and can be suspended up to a maximum of 350 cm. The lamp is free to hang horizontally or diagonally. Three efficient LEDs are included. The lamps are electronically dimmable from 1-10V. On request there are also offered a DALI as well as a dimmable version with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
